

# Prepare your Household Emergency Kit

We enjoy a wonderful climate and lifestyle in Queensland. However, natural hazards such as cyclone, storm, and flood are an inevitable part of our environment. History has shown that we cannot afford to be complacent about the dangers they present.

Take time now to prepare for emergencies by:

- Preparing your Emergency Plan;
- Preparing your Emergency Kit,
- Preparing your home; and
- Tune into warnings

These simple tasks can help you prepare for, survive, and minimise the impact of natural disasters.

Here is a range of suggested tips to help prepare your Emergency Kit and ensure everyone in your household is prepared:

- Store your Emergency Kit in a safe, accessible place.
- Ensure householders are all aware of the location of your Emergency Kit.
- Keep a copy of this Emergency Kit Checklist in your kit.
- Check the contents of your kit regularly to ensure items are in working order and have not expired.
- Discuss the contents of the kit with your household and make sure everyone knows what to do if an emergency occurs.

The following lists include items to have in your kit at all times and extra essentials to add to your kit during the storm and cyclone seasons for when weather warnings are issued.

## Items to include in your Emergency Kit at all times

### Food and water

Range of non-perishable food items

Bottled water

### Medical and sanitation supplies

First Aid Kit and manual

Essential medications, prescriptions and dosage

Toilet paper

Toothbrush/toothpaste

Soap/shampoo

Personal hygiene items

### Light

## Other emergency supplies to have ready at home:

## always remember

Having an Emergency Kit is an important step for your family to prepare for, survive and cope with emergencies. All householders need to know where your Emergency Kit is kept. Check and update the contents of your Emergency Kit regularly.

# Emergency Kit

Extra items to include in your Emergency Kit during cyclone and storm season.

Weather warnings are issued when emergencies like floods, storms and cyclones are expected. During storm and cyclone season add the following items to your Emergency Kit.

It is preferable to keep stocks of these items in your kit all the time. However, if you do not have enough space in your kit – make a note of where to find the extra items in your home so you can collect them quickly. If you have visitors during an emergency, you will need supplies for them also.

## Food and water

**in kit or Location**

Three days supply of non-perishable food (plus can opener, cooking gear, plates and utensils)

Clean water in sealed containers

(10 litres per person is recommended for three days supply)

Water purification tablets

## Medical and sanitation supplies

Extra supplies of medications

Extra toiletry and sanitary supplies, sunscreen and

Insect repellent

Prescription details for all medications

Spare spectacles

## Tools, communications and supplies

Wide masking tapes for windows

Wrench or pliers to turn off all utilities

Tent or tarpaulin

Woollen and thermal blankets

A mobile phone, spare battery and charger

## Clothing and footwear

**in kit or located**

Change of clothes for everyone, stored in plastic bags

Spare clothes and bedding

## Miscellaneous items

Extra supplies for infants (extra formula, nappies etc)

Extra items for the elderly or people with special needs

Spare cash in case electronic bank tellers don't work

Pets- provisions and information, (eg vets papers, leash,

food & water, collars with identification tag, pet beds,

litter pan & scooper, carrier or harness, medication)

**In an emergency, there may be interruptions to power and water supplies.**

**Ensure that you have adequate stocks of the following supplies on hand:**

Barbeque or portable stove with fuel

Fully charged batteries for mobile phone

Spare batteries for torch and radio

Esky or gas / battery powered refrigerator
