Approximate size of planting area:

Plan Supplied:

YES

NO

Applications will be assessed on a plan and criteria in accordance with the Free Tree Issue Procedure. Council will ensure all plant species are suitable to Ipswich's climate and where possible endemic to the region. Plants will be supplied in Native Tube-stock for optimum growth and sustainability.

NB: On receipt of the form, clearly completed, applicants will be notified by mail to collect their plants. Please allow two weeks for application approval.
