

GUIDE FOR COMPLETION OF PERMIT APPLICATION

Depending on the number and type of animals you wish to keep in Ipswich you may require a permit. The Quick reference guide will help you decide which permit, if any, you require.

Keepers of any animals are required to comply with the minimum standards as outlined in the Local Laws regardless of whether a permit is required or not.

Prior to making application, Planning and Development assessment is required for all commercial activities (this is any activity other than domestic - may include large scale hobbies), a Kennel Permit, any Non-Standard Permit for cats or birds or the keeping of any animals under the Other Animals section.

PART A

Read through the Minimum Standards and if you can comply with **ALL** of them then tick the Yes box.

Read through the Conditions for the permit you wish to apply for and tick the **Yes** box if you can comply or the **No** box if you can not comply with each of the conditions.

Note: An application for a Non-Standard Permit is required where you are unable to comply with the standard conditions. A Non-Standard Permit is more expensive to apply for as it requires an inspection of the property.

PART B

ALL applicants **MUST** also complete **Part B – Application for Permit**.

Once completed, return Part A and Part B to Council along with payment so your application can be assessed.

Note: If any animal causes a nuisance the keeper may be liable for an on the spot fine or be required to remove the animals from the property.

QUICK REFERENCE GUIDE - KEEPING ANIMALS IN IPSWICH

	No Permit Required	Standard Permit Required	Non-Standard Permit Required
DOGS	<ul style="list-style-type: none"> Keep up to 2 dogs Keep up to 4 dogs on land 2,000m² or more 	<ul style="list-style-type: none"> Standard Permits do not apply to keeping dogs 	<ul style="list-style-type: none"> Special Permit: keep up to 4 dogs on land less than 2,000m² Kennel Permit: keep more than 4 dogs on land 2,000m² or more Guard Dog Permit: keep guard dogs on commercial property

- The operation of the pet shop is not to cause a noise nuisance YES NO
- All cats and dogs offered for sale must be vaccinated as appropriate to the age of the animal prior to any sale being completed YES NO
- Other conditions may apply upon assessment

Ipswich City Council encourages responsible pet ownership and as part of our strategy to achieve this, we are trying to reduce the number of stray and unwanted animals within our city. We would like Pet Shop owners to be part of the solution to this ever increasing problem.

On 1 July 2009, the Queensland Government's *Animal Management (Cats and Dogs) Act 2008* was introduced. This Act is a result of pressure from welfare agencies on the State Government to reduce the number of unwanted animals being destroyed in pounds and shelters. The focus of the Act is to:

- (a) provide for identification and registration of cats and dogs; and
- (b) promote the responsible ownership of cats and dogs.

As part of the Act there are certain obligations on suppliers of cats and dogs regarding registration and micro-chipping at point of sale or transfer. To find out more about your obligations as a Pet Shop owner please refer to the following website:

<http://www.legislation.qld.gov.au/LEGISLTN/ACTS/2008/08AC074.pdf>

Pet shop owners and operators should also refer to the Queensland Government Code of Practice for Pet Shops which sets out standards for the care and management of animals kept for sale in pet shops. If you do not already have a copy of this Code of Practice a copy can be downloaded from the following website:

www.dpi.qld.gov.au/documents/AnimalIndustries_AnimalWelfareAndEthics/QldCodeOfPracticeForPetShops.pdf

Council may consider adopting conditions from these guidelines and legislation when reviewing it's Local Laws in future.
