Disclaimer for Lost and Found Animals

For lost and found animals, we will try to help you by comparing your description with the information provided to us by Council officers and/or members of the Public.

ANIMAL DESCRIPTION

An animal may be recorded with a description that differs to the owner's view of how the animal should be described. For example, the breed or colour descriptions may differ. If there is any uncertainty the most accurate way for a pet owner to determine whether an animal is held at the pound or is being held at the finder's property:

- For the owner to visit the pound (It is recommended if your dog is lost that you visit the pound daily).
- For the owner to get in contact with the person holding the animal.

Council shall not be liable for any claim, demand, action, loss or damage of any kind arising from incorrect/inaccurate description of any animal kept at the Pound.

Don't forget to call Council to remove your missing pet's details from the database if your animal has been found.

Owners of lost animals can also contact RSPCA lost and found and surrounding Councils in order to locate their pet. Another good idea is to place advertisements in the local newspaper.

If you wish to confirm any information relating to impounded, lost or found animals please contact the Health, Security and Regulatory Services Department of Ipswich City Council on (07) 3810 6666 between 8.00 a.m. to 4.30 p.m. Monday to Friday, or visit Council's Pound at 6 Hooper St, West Ipswich between 8.30 a.m. to 5.00 p.m. Monday to Friday, excluding public holidays and Council close down days.
