Welcome to Ipswich in Winter

As Queenslanders we are fortunate to live in a beautiful part of the world where any time of the year is a great time to get out and enjoy life.

Winter mornings may be a little frosty but the opportunity for family fun in Ipswich is warming up, with exciting events and activities planned right across our great city.

This guide shines a spotlight on those events to help you maximise your fun in Ipswich.

If you have a need for speed be sure to mark July 22 to 24 down in your diary. That is when the V8 Supercars will roar into Ipswich for three days of action-packed racing at Queensland Raceway.

For racing of a different kind, check out the Ipswich Cup. Nothing beats the

atmosphere, colour, and excitement of Australia's largest provincial horse racing club meet, which celebrates its 150th anniversary this year.

The focus will be firmly on families when International Take a Kid Mountain Biking Day is celebrated with a free event at Blackstone Hill in June.

Meanwhile, the fun never stops at Ipswich's many community venues with a great line-up of attractions planned for the Ipswich Civic Centre, Ipswich Art Gallery, and at local Libraries.

No matter what excites you, there is something for you in Ipswich this Winter.

The Safe as Suburbs program aims to assist residents of Ipswich to live more confidently in their home by making them aware of possible home security issues and provide recommendations on how to address them.

A home and safety audit checklist has been designed to assist in making your home a safe and liveable place. With the checklist, you will be able to identify any security and safety changes needed, in accordance with your needs and budget.

Residents can request the audit checklist or have guidance on how to audit their home by contacting the Community Safety Officer, who has been trained to undertake CPTED safety audits.
