

# Notification of Works

## Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03882 - Division 2

14 January 2025

### STAGE 3 NIGHTWORKS

From 7pm Tuesday 28 January through till 5am Friday 31 January 2025, works to construct pedestrian pathways will occur at the intersection of Springfield Greenbank Arterial and Eden Station Drive, Springfield Central. It is anticipated these works will take one week to complete, weather permitting.

Construction work will be carried out from Tuesday to Friday, 7pm till 5am and include:

- Removal of temporary footpaths on each corner of Springfield Greenbank Arterial and Eden Station Drive
- Concreting of new footpaths on each corner of Eden Station Drive towards Lions Fusion car park entrance and Springfield Greenbank Arterial intersection
- Relocation of pedestrian traffic signal poles.

### WHAT TO EXPECT?

- Changed traffic conditions including temporary lane closures of Eden Station Drive and Springfield Greenbank Arterial intersection. Motorists will be directed to turn right onto Springfield Greenbank Arterial from the straight through lane.
- Daytime temporary road shoulder closures of Eden Station Drive and Springfield Greenbank Arterial intersection.
- Temporary footpath closures near the work areas will occur and alternative pedestrian routes will be signed.
- Reduced speed limit to 40km/h through work areas.
- Traffic control signage, vehicles and controllers to direct traffic.
- No impacts to bus stops on Springfield Greenbank Arterial for the duration.

- Some minor noise and dust associated with these activities. Every effort will be made to minimise these impacts.
