

Limestone Park Netball Facility New Amenities Block

October 2019

The project

Ipswich City Council has invested in constructing a new amenities block next to the existing netball courts in Limestone Park, Ipswich.

A Queensland Government Grant is contributing to the construction of the amenities block to support female participation in netball in Ipswich.

The building will be located between the existing carpark and netball clubhouse on the Salisbury Road side of Limestone Park.

The building will include:

- a new female change facility with - 12 x female toilets and 3 x female showers
- 1 x unisex disabled toilet with shower and baby change table
- umpire's room with lockers, change area, toilet and shower and front counter
- first aid room with allowance for three beds

New amenities building - view from netball courts

New amenities building - view from car park

Additional site works to occur:

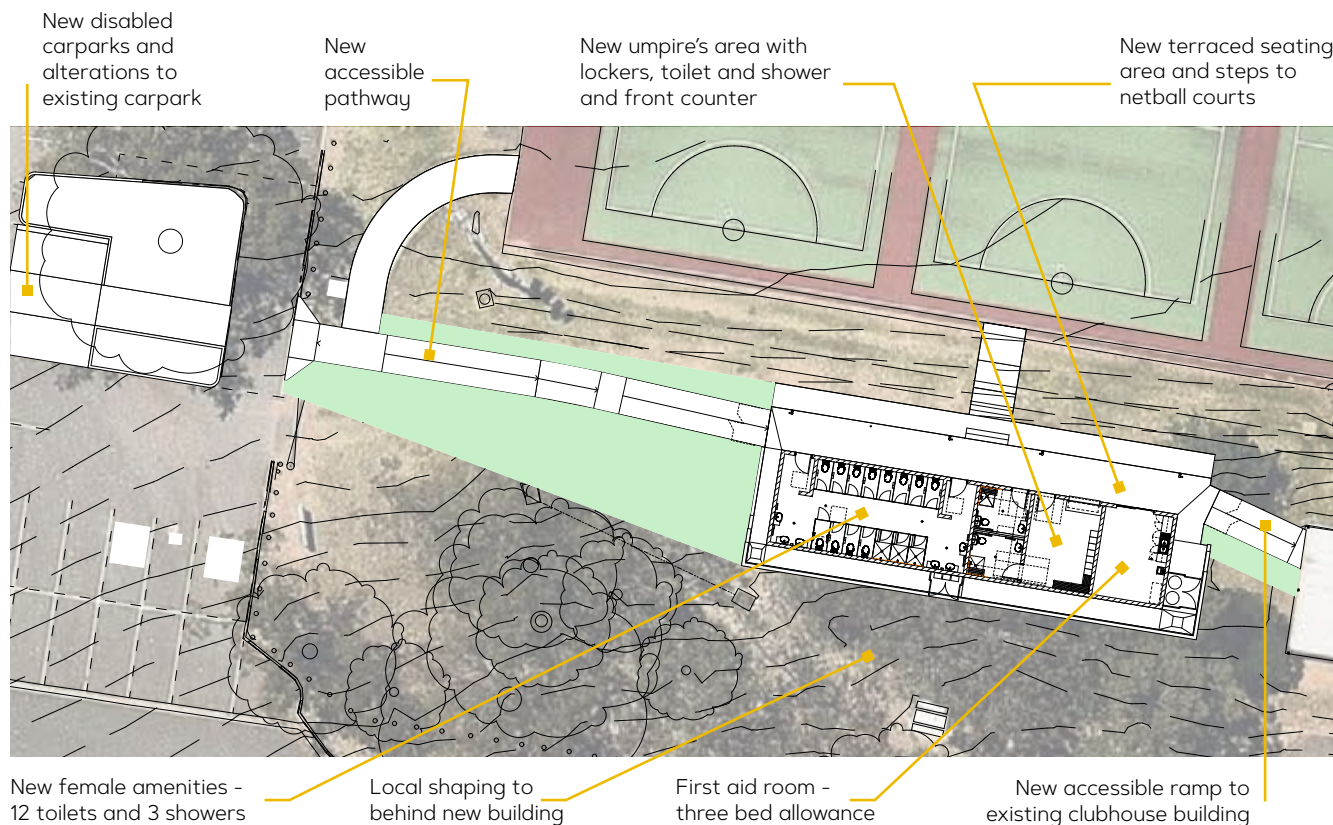

- a terraced seating area to the front of the building will be constructed
- construction of a retaining wall behind the building
- two new compliant disabled carparking bays
- a new accessible pathway connection from the carpark
- site earthworks for improvement of stormwater flow around the new building
- some vegetation (trees) will be removed

The new amenities will be available when booking the netball courts through the council parks and reserves booking system. This will not be a general public facility.

The Queensland Government provided \$436,569 to Ipswich City Council for the new Limestone Park netball amenities to enable Queenslanders to participate in sport and recreation activities.

Site layout plan and key project features

Project timing

Pre-construction activity:

- Vegetation removal
- Site preparation

**November to
December 2019**

Amenity block and associated works

**January to
April 2020**

Works completed and facility ready for use

**Early
May 2020**
