

# Ipswich City Council

# Seasonal Sporting Event Conditions

**The following Seasonal Sporting Event Conditions are in addition to the Standard Conditions for the location:**

- No use is permitted other than in accordance with the type, dates and times specified
- The public liability insurance and incorporation status submitted with the application must be maintained
- The Permit Holder must not alter or fence the facility, display any signs, carry out any building or earthworks, damage or remove any trees, shrubs or landscaping
- Public access to fields must be unobstructed outside of permitted use times
- Only water-based paint, whiting, carbon black or acrylic paint may be used for line marking. The use of lime, oil, salts, retarders or restricted poisons is prohibited
- Floodlights must not be used after 10.00 pm
- All electrical equipment must be tagged and within current test date
- All portable electrical equipment must be connected to a portable safety switch
- The Permit Holder will be responsible for the maintenance of portable sporting equipment
- Chattels must be removed before Permit expiration
- Fixtures become the property of council as soon as they are constructed on, or attached to, the premises
- Locks must not be removed and/or replaced
- Emergency vehicle access must be kept clear at all times.
