

Notification of Works

REDBANK PLAINS ROAD UPGRADE

INFO2414

20 November 2023

Nightworks

Redbank Plains Road

From Thursday 23 November 2023, nightwork is required to implement changed traffic conditions on Redbank Plains Road between Argyle Street and Barry Drive, Redbank Plains.

To progress the construction of the Redbank Plains Road Upgrade – Stage 3, a traffic switch will take place to implement changed traffic conditions. The traffic switch will move northbound traffic on Redbank Plains Road, between Argyle Street and Barry Drive, from the outside kerb lane to the inside lane, which will open at 5am to live traffic on Friday 24 November 2023.

This work will be completed at night to reduce impacts to motorists and pedestrians. Motorists are advised to drive to the changed conditions.

WHEN WILL THIS WORK TAKE PLACE?

Start	Thursday 23 November – Friday 24 November 2023
Duration	One night (subject to weather and site condition)
Time and day	Nightworks 7pm-5am

WHAT TO EXPECT?

Traffic Switch

- Traffic control vehicles and controllers to direct traffic.

- Installation of safety barriers and fencing to contain the construction area.
- Reduced speed limit to 40km/h through the work area.
- Relocated traffic barriers and bollards between Argyle Street and Barry Drive to direct traffic flow.
- Traffic signage to direct motorists, cyclists and pedestrians.
- Limited pedestrian access around the construction area. Temporary footpath closures near the active work area will occur and alternative routes will be signed.

Nightworks

- During night works vehicles will use ‘quacker’ style reversing alarms rather than beepers to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
- Traffic will be directed by traffic controllers under stop go with some minor delays.
- All efforts will be made to minimise dust and noise with some noisier activities being completed prior to 10.30pm.

WHAT DOES THIS MEAN FOR ME?

To facilitate these works some temporary road closures will occur and detours will be signed.

- There will be a change in direction of lanes north bound along Redbank Plains Road. Traffic controllers will be placed at the entrance to the new lane to help facilitate the changed traffic conditions for motorists.

If you have specific access needs or questions about this project, please do not hesitate to contact us.

We apologise for the inconvenience the nightworks may cause and thank you for your continued patience as we upgrade Redbank Plains Road.
