## Assisting Ipswich seniors to continue living independently

Eligible members of the community (seniors, people with disabilities and their carers) will be allowed to travel by taxi from home to **Orion Town Centre**, for only \$2 per person each way.

Yellow Cabs will provide the service and the costs will be subsidised by Orion Town Centre.

### How does the Program work?

The service is available in selected suburbs, and will operate on **Thursdays**.

To book a taxi, you will need to contact Yellow Cabs on **(07) 3363 2373 before midday** on the day before you wish to travel. Then, on the date requested, the taxi will pick you up from your home at approximately **9.00 am** and take you to Orion Town Centre. You will then return to the designated pick up spot to be collected by taxi at **12.30 pm** and returned home.

### Who is eligible to participate in the Program?

You must be in receipt of a full Australian Government Age Pension or a full Disability Support Pension, and your carer (if applicable) must be in receipt of a full Australian Government Carer's Allowance. In addition to this, you must reside in one of the following suburbs:

- **Augustine Heights**
