

DISPOSE OF YOUR UNWANTED AGVET CHEMICALS

Queensland registrations close 28 April 2017

Free collection of chemicals meeting these requirements:

- Still in its original container (**drumMUSTER** eligible)
- Readable product label
- Has not been mixed with any other product
- Within two years of its expiry or deregistration date.

Collection is available for chemicals that do not meet these requirements, however a per lt/kg fee is applicable.

REMEMBER ...
BOOKINGS ARE ESSENTIAL.
