## SEAL POOL SAFETY

## FENCE THE POOL – SHUT THE GATE

- 1. Colour and decorate the swimming pool as you like.
- 2. Using some moulding clay or blue tack, place small bits on all the big dots.
- 3. Choose a long and a short piece of wool or string of different colours.
- 4. With the large piece of wool or string, start near the pool gate and stick it around the pool following the dotted lines to the end of the pool gate to complete your pool fence.
- 5. Place the small piece of wool or string between the last 2 dots to shut the pool gate.
