

Sustainable Ipswich Week

6 – 12 AUGUST

Nude Lunch Day

Monday 6 August

The average
Australian produces
1.5 tonnes
of waste in a year.

Cut out single-use plastic
such as cling wrap, bags,
chip packets or yoghurt
tubs and make a difference
by reducing the waste that
ends up in landfill.

Visit Ipswich.qld.gov.au/sustainableipswichweek
for a full list of tips and events.
