This Terms of Reference for Standing Committees is intended to provide clear and specific information on the purpose, scope, responsibilities, members and delegated authority (if any) of each committee.

The committees align with iFuture Corporate Plan and council’s core business services which ensures that matters considered by committees are focused on achieving the strategic objectives and strategies of council.

Refer relevant Annexure for the purpose of each committee.

4. Scope and Limitations

Refer relevant Annexure for the scope of each committee.

For a matter requiring a decision to be made by Council, it is necessary for a report to be prepared, to be initially considered by the relevant committee. Committees make recommendations for consideration of the full Council at its Ordinary meeting.

Matters may only proceed straight to a Council Ordinary Meeting if:

- a. it does not relate to the scope of services of any committee, or
- b. requires an urgent Council resolution (with express written authorisation by the Chairperson, Mayor and CEO).

Standing Committees have no delegated authority unless Council delegates its authority to a committee in accordance with Section 257(1)(c).

The committees will follow the procedures for committee meetings of Council as outlined in the *Meeting Procedures Policy*.

The main function of the committees are to:

- provide a forum to enable complex or strategic issues to be discussed;
- receive and consider officer's reports in order to provide a recommended course of action to Council to determine matters within the scope of the committee;
- where a committee has been delegated decision making authority, to determine matters within the scope of the committee at the discretion of the committee; and
- ensure the principles of good governance are applied to the decision making process.

Where matters being considered are of a wider interest to the community and require/or attract media attention, contact with media will only be undertaken in accordance with council's *Media and Corporate Communications Policy*.

5. Authority / Delegation

The committees listed in section 1 have the power to only recommend a course of action to Council unless specifically noted.

Council may, by resolution, delegate powers under the Local Government Act or another Act to a committee to decide matters.

The powers delegated may be specific to an individual matter or in general terms to provide lasting authority to determine nominated issues. Such delegations must be in accordance with [section 257 \(Delegation of Local Government Powers\)](#) and [section 260 \(Local Government Delegations Register\)](#) of the Act.

6. Role and Responsibilities

The committees are charged with considering matters of policy, strategy and performance relating to the responsibilities and services outlined in the relevant Annexure. This in turn assists councillors to achieve their responsibilities as detailed in [Section 12 of the Act](#).

Refer relevant Annexure for the role and responsibilities of each committee.

7. Membership

Membership of the committees is outlined in the relevant Annexure with the Mayor and Deputy Mayor a member of each Standing Committee.

Councillors may request appointment or removal from committee membership via the committee. To enact the change, the Chairperson will move a motion at committee recommending that the councillor be appointed or removed. With the support of the committee, and upon Council resolution, the membership change will be enacted.

An alternative member may be appointed in accordance with [section 266 of the Regulation](#).

Where [section 162 \(When a councillor's office becomes vacant\)](#) of the Act, applies to any member of a committee, the membership immediately ceases.

7.1 Role of Committee Members

The role of a committee member is to consider and make recommendations on matters relating to the scope and responsibilities of the committee, as they align to council's Corporate and Operational Plans. Committee members will participate in policy development relevant to the achievement of council's corporate functions in relation to the current and future interests of the residents of the local government area.

Committee members are responsible for reading the agenda papers and accompanying reports in advance of committee meetings to:

- identify matters of particular interest to the council, committee or community;
- identify any matters which need clarification or additional information to help inform their view, and to contact the Chairperson or relevant General Manager for further information or advice before the meeting; and
- identify any agenda items where they may have a conflict of interest and take appropriate action as required by legislation.

Membership allows councillors to gain a deeper understanding of strategic issues, objectives and strategies relating to the scope of the committee. As members, councillors can act as the community representative 'sounding board', and relay community views and sentiment in relation to a matter before the committee back to Council. Generally, committee members are champions for the advancement of Council's key priorities and decisions relevant to the committee area.

Members will be provided corporate support on strategic areas within their committee's focus. General managers will ensure that:

- members are made aware of any matters of strong public interest or community/stakeholder significance or any operational matters that may have a strategic impact on the council's performance or budget,
- members are across the relevant details of reports coming before the committee including being informed of any risks or implications of decisions on other levels of government or external bodies,
- Chairpersons are aware of matters planned for consideration at future meetings.

7.4 Role of Deputy Chairperson

The Deputy Chairperson will assume the roles and responsibilities of the Chairperson should the Chairperson be unable to fulfil their role.

7.5 Portfolio Lead

A Portfolio Lead (where appointed by the committee) will allow a committee member to take additional responsibility on behalf of the Chairperson for one or more assigned responsibilities to support achievement of the committee's purpose.
