

World Drowning Prevention Day Competition Activity and Colouring Sheet

Ages 7-9 years

S - Supervise around the pool
E - Enclose the pool with a fence
A - Actively check pool gate and fence
L - Learn CPR and to swim

Design your own swimming pool

In the space below design and decorate your new backyard swimming pool.

Think about how you would design your pool area to include SEAL water safety. Don't forget to fence the pool! Be sure to add lots of colour.

Referring to SEAL and what you know about water safety, what are three things we should remember when we are swimming in the pool to be safe. Write your answers below.

1. It is very important to learn CPR and to swim.
2. When you can't breathe on the surface raise your hand high.
3. Leave the towels on the chairs and make sure you look after the environment.
