

IPSWICH CITY COUNCIL
LOCAL LAW NO. 28 (SPRAY PAINTING)

- (i) A person shall not carry out spray painting, lacquering, steam cleaning, grinding, sanding or other similar process or processes on any road or in any public place.

Maximum penalty – 20 penalty units

- (ii) The occupier of any land shall prevent the emission or escape from such land on to land in other occupation and on to any road or public place, any spray from painting, lacquering or other similar process and any steam, gas, filings, particles produced or used in any process on the land.

Maximum penalty – 20 penalty units

- (iii) The Council may, by notice in writing, to an occupier of land where spray painting, lacquering or other similar process is carried out, or steam, gas, filings or particles are produced or used in any process, direct that a booth in accordance with the design of the Chief Executive Officer be provided by such occupier within the time specified in such notice.

- (iv) Should the occupier fail to comply with the requirements of such notice, he or she shall be guilty of an offence.

Maximum penalty – 20 penalty units
