Major Projects and Initiatives

Budget Overview

More money than ever before will be invested in roads, bridges and community facilities under Ipswich City Council's 2017-2018 Budget.

The environment is another big winner with funding for conservation estates, supporting koala and platypus populations and promoting sustainability through popular community events.

A bumper line-up of arts, cultural and heritage programs will also be delivered.

Highlights include more than \$6.5 million for improving roads across the division. An additional \$1.3 million has been allocated for bridge upgrades, while \$100,000 goes towards the development of a new off-leash dog area at Yamanto.

Facilities at Rosewood Aquatic Centre will be upgraded with \$103,000 set aside for repainting the pool shell and replacing filters.
