20 June 2025

### NIGHTWORKS

#### STAGE 2 SERVICE RELOCATIONS

From 7pm Sunday night 29 June through till 5am Friday 11 July 2025, service relocations, earthworks, and stormwater drainage network upgrades will occur along Springfield Parkway, Springfield College Drive and at Bridgewater Road Roundabout Springfield. It is anticipated these works will take two weeks to complete, weather permitting.

Construction work will be carried out from Sunday to Friday, 7pm till 5am and include:

- Vacuum excavation to locate services
- Telecommunications, electrical and other services relocations and upgrades
- Laying of new telecommunication cables
- Stormwater drainage network upgrades
- Earthworks to facilitate service relocations.

#### WHAT TO EXPECT?

- Changed traffic conditions including periodic temporary lane closures on the eastern and western side of Springfield Parkway, College Drive and Bridgewater Road Roundabout. Access will be available to motorists and pedestrians via traffic control for the duration.
- Vacuum excavation truck to locate underground services prior to upgrades.
- Excavation across Springfield College Drive and Bridgewater Road Roundabout.
- Laying of new, and upgrade of existing telecommunication services.
- Laying of new, and upgrade of existing stormwater drainage networks.
- Earthworks within the road reserve of Springfield Parkway, College Drive and Bridgewater Road Roundabout.
- Temporary footpath closures near active work areas will occur and alternative pedestrian routes will be signed.
- Traffic control signage, vehicles and controllers to direct traffic.
- Reduced speed limit to 40km/h through work areas.

- Some minor noise and dust associated with these activities. Every effort will be made to minimise these impacts.
