

Notification of Works

Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03218

25 July 2023

STAGE 3

Nightworks

To safely implement the next phase of works of the Springfield Parkway and Springfield Greenbank Arterial project, nightwork is required.

On Thursday night 3 August from 7pm, traffic control will be in place to relocate road traffic barriers. To facilitate the relocation of these barriers some roads will need to be closed or partially closed. We anticipate these works will be completed by 5am on Friday 5 August 2023. If this does not occur the remaining works will be completed on Sunday night 6 August 2023 from 7pm with roads opened to traffic by 5am on Monday 7 August 2023.

WHAT TO EXPECT?

Traffic Switch

- Traffic control vehicles and controllers to direct traffic
- Installation and relocation of safety barriers and fencing
- Reduced speed limit to 40km/h through work areas
- New temporary line markings
- Relocated traffic bollards to direct traffic flow
- Variable Message Board Signage (VMS) advising of nightworks and detour routes
- Limited pedestrian access around the construction area. Temporary footpath closures near the work area will occur and alternative routes will be signed.

Full road closures

- Exit 32 of the Centenary Motorway will be closed
- Main Street Roundabout intersection and all approaches will be closed.

Partial Road closures:

- Springfield Central Park and Ride entry will be closed from 8pm, right turn out is open to exit
- Southern Cross Circuit left lane into Main Street will be closed
- Springfield Greenbank Arterial lanes on approach to Park and Ride and towards Orion Shopping Centre will be closed.

Please refer to Diagram 1 Map below

Nightworks

- During night works vehicles will use 'quacker' style reversing alarms rather than beepers to reduce noise
- Light towers will be placed to limit glare to nearby residences

WHEN WILL THESE WORKS TAKE PLACE?

Start	3 and 6 August 2023
Duration	Overnight 2 days
Time and day	7pm – 5am Friday and Sunday
