## Event Sponsorship Funding Principles

The following five key principles are to be applied when determining Event Sponsorship arrangements in accordance with the Event Sponsorship policy.

### Community Benefit

All Event Sponsorship activities must provide a specified cultural, social, environmental, financial or economic benefit to the community. Prior to entering into a major community event sponsorship, an analysis of community benefit should be undertaken.

### Alignment

All Event Sponsorship arrangements must align with council's aspirations, legislative requirements, priorities, strategic direction, and vision as documented in council's Corporate Plan, and be consistent with council's policies including the Councillor Code of Conduct and the Employee Code of Conduct.

### Risk Management

Potential risks to council will be assessed prior to entering into Event Sponsorship arrangements. Some examples of the inherent risks in providing or receiving major community or cultural events commonly include the following:

- conflicts of interest (actual or perceived)
- reputational risk to council
- direct or indirect personal benefits received by Councillors or council officers
- perceptions of being influenced by the sponsor/ sponsorship recipient
- perceptions of endorsing the sponsor/sponsorship recipient's products/services

### Open, accountable decision-making and financial management

Event Sponsorship will be sought and provided using transparent processes. All Event Sponsorship arrangements will be assessed in line with the *Local Government Act 2009* and *Local Government Regulation 2012* and council's financial policies and guidelines.

In the negotiation of Event Sponsorship and arrangements the commercial value of the arrangement must be clearly identified and acknowledged.

### Entrepreneurship and economic development

Event sponsorship activities that present additional economic benefit for the city will be highly regarded.

## Assessment

Assessments for eligible Event Sponsorship applications are undertaken by a panel of council officers with relative experience in economic development, marketing and large scale events.

The assessment panel will assess Event Sponsorship applications against the following assessment criteria:

### 1. Community Benefit

- Are the aims and expected outcomes of the proposed event clearly identified?
- Does the event have the potential for a high level of community engagement through participation and attendance?
- Does the event have the potential to deliver economic benefit, either in the short, medium or long term, to the City of Ipswich?
- Will the event attract visitors from outside Ipswich?
- Will the event provide positive exposure to the City of Ipswich through attracting media attention or through engagement with community and business networks?
- Will the event increase recognition of Ipswich nationally and internationally as a major event city?
- Does the event compliment other events and/ or fill a gap in the city's calendar of events, particularly 'off peak' tourism seasons?
- Does the event lead to an increase in participation in community level sport, recreation or physical activity?

### 2. Organisational Capacity

- Does the application support council's corporate plans and strategies?
- Does the applicant present a strong marketing plan to promote the event and leverage audience attendance?
- Does the applicant demonstrate a successful track record of marketing, planning and delivering events of similar scale?
- Does the applicant provide data on past event attendees and economic impact?
- Is the application well planned and achievable within the allotted timeframe?
- Does the applicant have the expertise and capacity to successfully manage and evaluate the event?
- Has the applicant developed other partnerships and collaborations to assist with the event?

### 3. Financial Viability

- Does the proposed budget accurately reflect the scope and scale of the application?
- Have other funding sources been secured and/or identified?
- Have the resources that are required to deliver the event been clearly identified?
- Is the application financially viable and does it demonstrate sound management?
- Is there evidence that the event will become sustainable beyond the period of council's core funding period of one year and that reliance on council support will diminish?

## Event Sponsorship Funding Approval Process

Successful Category 1 Event Sponsorship applications are approved by the General Manager (Community, Cultural and Economic Development).

Successful Category 2 Event Sponsorship applications are approved by council at a designated Council Meeting.

### How often can an applicant apply?
