

SEAL POOL SAFETY

SWIMMING SAFETY TIPS

Circle ALL THE CORRECT statements below.

I should make sure to have an adult to supervise me when I go swimming

An adult should always check the pool fence and make sure the gate works properly

We should learn to swim by doing swimming lessons

It is ok to run and jump into the pool

We should learn to do CPR

We must enclose the pool with a fence and make sure the gate is always closed

Mum and Dad can read a book and talk on the phone while I am swimming in the pool

I should call 000 and ask for the Ambulance in an emergency
