RESIDENTIAL BIN PLACEMENT

Face it,

Space it,

Place it

- ✔ Face front of bin towards the roadside and wheels back towards the footpath/verge
- ✔ Bin lids should remain closed at all times for safety
- ✔ Please do not place any objects on top of lids (e.g. bricks or water bottles to keep lids closed)
- ✔ Space bins a minimum of one wheelie bin width apart (Approximately one metre space between bins)
- ✔ Space bins a safe distance from cars, trees, power pole and other obstructions
- ✔ Look for overhead lines and wires
- ✔ Look for overhanging trees and tree branches
- ✔ Place out the night before scheduled collection or prior to 5.00 am of the day of service
- ✔ Bin must be presented to the kerbside for servicing
