

Notification of Works

Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03882

18 June 2024

STAGE 3

STORMWATER DRAINAGE WORKS

From 7pm Sunday 23 June to 5am Friday 5 July 2024, nightwork is required to advance stormwater construction behind the safety barriers on Springfield Greenbank Arterial in front of the Springfield Central Park'n'Ride, Springfield Central.

WORKS WILL INCLUDE:

- Upgrading and future proofing existing stormwater drainage
- Construction and connection of new stormwater drainage networks
- Upgrade of recycled stormwater drainage networks.

WHAT TO EXPECT?

- No impacts to Centenary Motorway Exit 32 off ramp, Springfield Central Park'n'Ride, Main Street and Springfield Greenbank Arterial for the duration.
- Construction of new stormwater drainage networks and connection to existing upgraded new and recycled drainage networks.
- Construction activity will continue Monday to Saturday behind the safety barriers from 7am till 5pm.
- Temporary footpath closures near the work areas will occur and alternative pedestrian routes will be signed.
- Some minor noise and dust associated with these activities. Every effort will be made to minimise these impacts.

WHEN WILL THESE WORKS TAKE PLACE?

Start	23 June – 5 July 2024
Duration	Two weeks
Time and day	Nightworks 7pm – 5am Sunday to Friday Dayworks 7am – 5pm Monday to Saturday

Work Location

THANK YOU

The project team apologises for any inconvenience during these works and thank you for your patience as we construct this vital infrastructure for the region.
