Major Projects and Initiatives

Budget Overview

More money than ever before will be invested in roads, bridges and community facilities under Ipswich City Council's 2017-2018 Budget.

The environment is another big winner with funding for conservation estates, supporting koala and platypus populations and promoting sustainability through popular community events.

A bumper line-up of arts, cultural and heritage programs will also be delivered.

Highlights include more than \$1 million for improving roads in Basin Pocket, Booval, Chuwar, East Ipswich, Karalee, Muirlea, North Booval and Tivoli and \$78,000 to replace a pedestrian bridge at Karalee.

An additional \$349,000 has been allocated for replacing kerb and channel along sections of Blackwood, Cardew, Lawrence and Marcel streets as well as Chermside Road.
