REDBANK PLAINS ROAD UPGRADE

STAGE 3

INFO2414

9 October 2023

From Thursday 12 October 2023, nightwork is required to implement changed traffic conditions on Redbank Plains Road between Verran and Jansen Streets, Redbank Plains.

WHAT WORKS ARE COMING UP?

Nightworks are required to facilitate a traffic switch for southbound motorists along Redbank Plains Road between Verran Street and Argyle Street, Redbank Plains.

WHAT TO EXPECT?

- Traffic control vehicles and controllers to direct traffic
- Reduced speed limit to 40km/h through the work area
- Changed traffic conditions
- Minor traffic delays may be experienced at night due Redbank Plains Road being reduced to one lane under traffic control.
- Some dust and noise may be associated with these works and every effort will be made to minimise these impacts.

WHEN WILL THIS WORK TAKE PLACE?

Start	12 - 13 October 2023
Duration	One night (subject to weather and site conditions)
Time and day	Thursday - Friday 8pm to 5am

WHAT DOES THIS MEAN FOR ME?

- Nightworks will commence along Redbank Plains Road from Verran Street to Argyle Street on Thursday 12 October 2023.
- From 5am Friday 13 October 2023, southbound motorists along Redbank Plains Road between Verran Street and Argyle Street will be directed to the recently completed eastern roadway.
- Local access will be maintained for residents and emergency vehicles including police, fire and ambulance.
- If you have specific access needs or questions around these works, please do not hesitate to contact us.

The project team apologises for any inconvenience during these works and thank you for your patience as we construct this vital infrastructure for the region.
