Parking Tips

- Display ticket clearly on kerbside of dashboard
- On-street parking fees are set at \$1.20 per hour
- Pay with coins if card payment is unavailable
- No change is given
- If the nearest parking meter is not working, purchase a ticket from the next closest meter
- You are only entitled to park for the sign-posted time period, you must then vacate the parking space

Disability Parking Permits

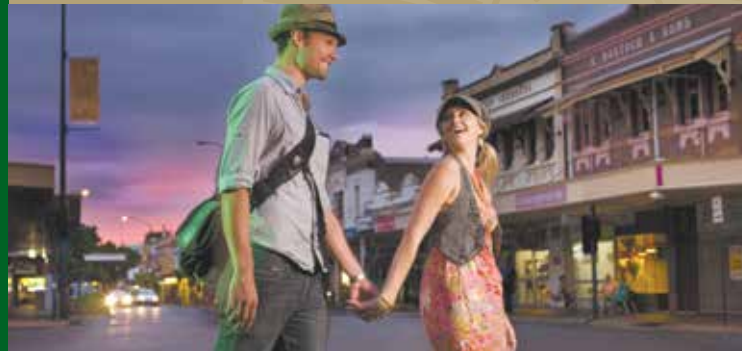

Disabled Parking Zones are only for motorists with a valid Australian Disability Parking Permit.

Motorists issued with an Australian Disability Parking Permit (ADPP) are entitled to:

- Park in any space provided for a person with a disability in an on-street or off-street parking location.
- Park in local government metered or regulated parking areas free of charge for the following periods:
 - where the time limit specified by a sign is less than 30 minutes, permit holders are allowed to park for up to 30 minutes,
 - where the time limit specified by a sign is 30 minutes or more, permit holders are allowed to park for an unlimited amount of time.

Permit holders are not permitted to park in restricted parking areas, such as clearways, no stopping, loading areas and bus zones.

- Disabled Parking Bay

When Can I Park?

There is a variety of both private and Council operated off-street car parks throughout the city, with some controlled by time limits while others offer unrestricted parking, so please check the signage in each car parking area.

Pay and display parking meters operate on-street in the Ipswich City Centre from:

- 8.00 am - 5.00 pm | Monday - Friday
- 8.00 am - 11.30 am | Saturdays

Outside these times and on public holidays parking is free, however, other parking restrictions may still apply, so you should always check the information on the parking signs.

Some Key Parking Signs

There are many different parking restriction signs. Some common signs and their meanings are listed below.

Parking time limits apply as indicated on the sign, these parking zones require payment if the word 'METER' is displayed.

A driver must not stop on a length of road to which a no stopping sign applies. Alternatively, there may be a yellow edge line which also means no stopping. These lines can be used either on their own or together with the no stopping signs.

Any vehicle is permitted to stand in a loading zone for up to 20 minutes when dropping-off/picking-up goods or for up to 2 minutes if dropping-off/picking-up passengers.
