

# Notification of Works

## Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03218

17 October 2023

### STAGE 3

To safely implement the next phases of work of the Springfield Parkway and Springfield Greenbank Arterial duplication project, nightwork and a closure of the Springfield Park'n'Ride facility is required.

On Tuesday night 31 October from 7pm until 5am on Wednesday 1 November the Springfield Park'n'Ride will be closed. This is to facilitate Phase 1 asphalt work outside the Park'n'Ride entry on Exit 32 of the Centenary Motorway, Springfield.

### WHAT TO EXPECT?

- Traffic control vehicles and controllers to direct traffic.
- Installation and relocation of safety barriers and fencing.
- Reduced speed limit to 40km/h through work areas
- Entry closure of the Springfield Park'n'Ride from 7pm 31 October to 5am 1 November 2023. Vehicles in the car park prior to the closure will be able to exit.
- Variable Message Board Signage (VMS) advising of nightworks and Park'n'Ride closure.
- Limited pedestrian access around the construction area. Temporary footpath closures near the work area will occur and alternative routes will be signed.

### Nightworks

- During night works vehicles will use 'quacker' style reversing alarms rather than beepers to reduce noise
- Light towers will be placed to limit glare to nearby residences
- All efforts will be made to minimise dust and noise with some noisier activities being completed prior to 10.30pm.

### WHEN WILL THESE WORKS TAKE PLACE?

Start	31 October 2023
Duration	Overnight
Time and day	7pm – 5am

### THANK YOU

The project team apologises for any inconvenience during these works and thank you for your patience during construction as we construct this vital infrastructure for the region.
