## Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03882

18 March 2024

### STAGE 3 NIGHTWORKS

From Sunday night 24 March to 5am Thursday 28 March 2024, nightwork is required to facilitate changed traffic conditions, line marking and electrical network upgrades along Springfield Greenbank Arterial and Main Street, Springfield Central.

#### WORKS WILL INCLUDE:

- Installation of electrical network for new public street lighting
- Line marking
- Relocation of safety traffic barriers and fencing.

#### WHAT TO EXPECT?

- Temporary lane closure of Springfield Greenbank Arterial between Main Street and Sinnathamby Boulevard, Springfield Central.
- Traffic control signage, vehicles and controllers to direct traffic.
- Reduced speed limit to 40km/h through the work area. Motorists are advised to be alert and drive to the changed traffic conditions.
- Translink bus services will be directed through the work areas under traffic control.
- Access to the Springfield Park'n'Ride will not be impacted during these works.
- Centenary Motorway Exit 32 will remain open to traffic during these works.
- Installation and relocation of safety traffic barriers and fencing.
- Limited pedestrian access around construction areas. Temporary footpath closures near the work areas will occur and alternative routes will be signed.

### NIGHTWORKS

- During night works vehicles will use 'quacker' style reversing alarms rather than beepers to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
- All efforts will be made to minimise dust and noise with some noisier activities being completed prior to 10.30pm.

### WHEN WILL THESE WORKS TAKE PLACE?

Start	24 – 28 March 2024
Duration	Four nights
Time and day	7pm – 5am Sunday to Thursday
