

Road Rehabilitation Project

Hunter Street, Brassall

The Project

Ipswich City Council will undertake rehabilitation works on Hunter Street (between Haig Street and Pine Mountain Road), Brassall.

The project will improve the pavement surface. It will also improve the drainage (subsoil drainage, kerb and channel) to mitigate the deterioration of the pavement in future.

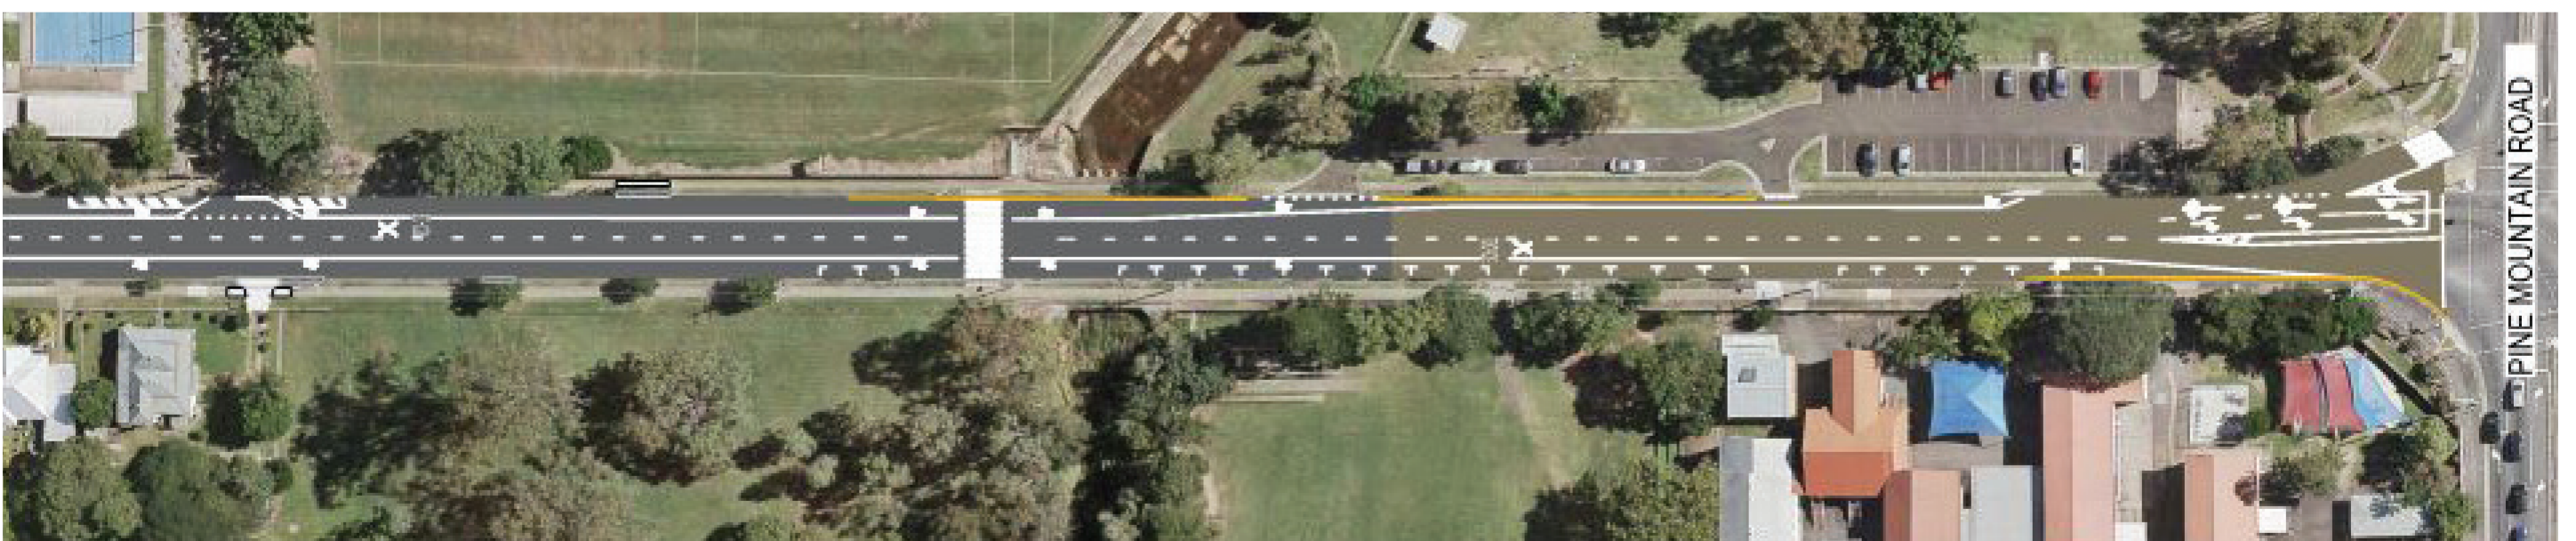

Hunter Street Rehabilitation between Rowan Drive and Haig Street

Hunter Street Rehabilitation between Haig Street and Mihi Street

Hunter Street Rehabilitation between Mihi Street and Pine Mountain Road

Road works scheduled August-December 2018

This project is being managed by the Infrastructure Services Department of Ipswich City Council
