

# Youth Sustainability Summit Program

## ZERO WASTE

📍 IPSWICH CIVIC CENTRE  
📅 WEDNESDAY 21 AUGUST 2019

Welcome to the Youth Sustainability Summit where you will talk and learn about ways to live at school and at home that will help you live more sustainably and protect your environment.

Continue taking part in Sustainable Ipswich Week and visit [ipswich.qld.gov.au/sustainableipswichweek](http://ipswich.qld.gov.au/sustainableipswichweek)

You will hear from a number of presenters throughout the Youth Sustainability Summit. The main sessions will be held in the auditorium and for the interactive sessions, students will be split into 2 groups alternating sessions. Teachers and support staff will be required to assist their students to each room location for the sessions throughout the day.

At the summit, we are aiming for zero waste in food. All food and utensils are compostable and can be placed in the green bins provided.
