2 January 2018

MEMORANDUM

TO: ACTING SPORT RECREATION AND NATURAL RESOURCES MANAGER

FROM: SPORT AND RECREATION OFFICER

RE: 2017–2018 SPORTING EVENT SPONSORSHIP APPLICATIONS JANUARY 2018

INTRODUCTION:

This is a report by the Sport and Recreation Officer dated 2 January 2018 concerning applications for Sporting Event Sponsorship in January 2018.

BACKGROUND:

The Sporting Event Sponsorship program aims to assist eligible organisations to host local, district, regional, state, national and international sporting events within the boundaries of the City. The objectives of the program are to:

- Increase physical activity for community benefit;
- Assist in building the capacity of sport and recreation organisations to host events and for the events to become sustainable;
- Create partnerships with local, state and national sporting organisations;
- Activate spaces and facilities; and
- To increase the occurrence of high level sporting events in the Ipswich region.

JANUARY APPLICATIONS:

Applicant: Ipswich Vigoro Association
Event: 2018 Vigoro State Titles
Date: 10 to 14 January 2018
Location: Jacaranda Street, East Ipswich
Amount: \$2,700.00

The annual Vigoro State Titles is an event that caters for both juniors and seniors with approximately twenty-four games being held over the five day event. Teams will travel to Ipswich from Cairns, Townsville, Mackay, Sunshine Coast, Fassifern and Tasmania. The association plan on conducting exhibition matches during the carnival to showcase their new modified under 10 game to visiting clubs.

As of the date of this report, no other sponsorship has been provided to this event from Ipswich City Council. It is proposed that **Ipswich Vigoro Association** receive **\$2,700.00** in sponsorship for the **2018 Vigoro State Titles**.

The application form can be found in Attachment A and the full assessment of the event in Attachment B.

Applicant: Run 2 Give Foundation

Event: Greater Springfield Marathon

Date: 10 June 2018

Location: Springfield Central

Amount: \$10,000

Run 2 Give Foundation is registered as a charity and is not an Ipswich-based organisation which would normally make the event ineligible for sport event sponsorship. However, their application is being presented as it has the potential to provide significant opportunities for the local community to increase their physical activity which is a key objective of the sport event sponsorship program. The Run 2 Give Foundation estimates that the event will also attract a large amount of people from outside of Ipswich allowing our city to be showcased while boosting the local economy.

The inaugural Greater Springfield Marathon will include distances of; full marathon, 35km, half marathon, 28km run, 14km run, 7km run and 1km kids run. It is estimated that there will be 1,000 participants and 500 spectators attend the event. The Run 2 Give Foundation has already partnered with several local organisations including the Springfield Runners Group and local primary and high schools as well as local businesses to assist with the running of this event.

As of the date of this report, no other sponsorship has been provided to this event from Ipswich City Council. It is proposed that **Run 2 Give Foundation** receive **\$10,000.00** in sponsorship for the **Greater Springfield Marathon**.

The application form can be found in Attachment C and the full assessment of the event in Attachment D.

BUDGET:

There is sufficient funds remaining in the 2017–2018 Sporting Event Sponsorship budget.

MARKETING:

Each Council sponsored event will be promoted to the Ipswich community through its inclusion in the events calendar at www.discoveripswich.com.au. Further to this, Council's Sports and Recreation team is informed of the event and the relevant officer will work with the event organiser to provide support.

CONCLUSION:

The Sporting Event Sponsorship program aims to assist eligible organisations to host local, district, regional, state, national and international sporting events within the boundaries of the City. It is proposed that the applicants within this report are supported through the program, as outlined in the Recommendation.

Sporting Event Sponsorship

The Sporting Event Sponsorship program aims to assist eligible organisations to host local, district, regional, state, national and international sporting events within the boundaries of the City.

The Sporting Event Sponsorship program now operates all year round. Therefore, applications can be submitted at any point during the year. Please note that applications must be received at least **8 WEEKS BEFORE THE DATE OF THE EVENT** to ensure that there is sufficient time for the processing of applications.

Organisations that apply for support under the Sporting Event Sponsorship program must meet the following criteria:

- Sporting events must be within the geographic boundaries of Ipswich City Council
- Must be incorporated, Ipswich based and not for profit
- Sponsorship is only available for one event per organisation, per financial year
- Must be covered by a Public Liability Insurance for your event with a minimum cover of \$10 million. The insurance company must be licensed to operate in Australia.
- All previous Ipswich City Council Sporting Event Sponsorship grants of \$1,000 or more must be acquitted.

Organisations will be notified of the outcome of their application. Applicants may be required to attend a meeting to further discuss the event and the sponsorship agreement, including type of support and responsibilities.

The value of sponsorship will be determined by Council in accordance with your application and the marking assessment. Please note that previous event sponsorship support **does not** guarantee ongoing sponsorship support. In addition, if you have previously received sponsorship from Ipswich City Council, should your application be successful the amount provided will be less than your previous amount. This is to help increase the chances of your event becoming sustainable.

Alignment with Program Objectives:

- To increase physical activity for community benefit
- Assist in building the capacity of sport and recreation organisations to host events and for the events to become sustainable
- Create partnerships with local, state and national sporting organisations
- Activate spaces and facilities

How does your event meet the program's objectives? *

The event is the highlight of our vigoro year. It is an inclusive event with all age groups catered for. Players are chosen to represent their centre and can compete in one of four divisions including Under 14's / Under 18's / Senior 1 & Veterans. We have wonderful support and partnership from our governing body Queensland Vigoro Association and as mentioned previously for the first time Tasmania will be attending this carnival and competing in the Senior 1 division. Ipswich Vigoro works tirelessly in promoting our sport. We have been part of the community for over 85 years. This season we have seen a wonderful increase in grassroots participation and offer several free incentives and programs for these young players to encourage physical activity and to develop much needed skills and a passion for sport! We offer free registration for all new players regardless of age, and we have developed a new under 10 program which is wonderful opportunity for these new members to get to play the game and have fun! By hosting this event we can continue to promote our sport which will hopefully encourage even more community members to become involved. We aim to play exhibition games during the Carnival to show other centres our new modified Under 10 program so they too can adopt and trial at their own centres. We would like all our visitors to have a positive experience when they visit our wonderful city and as a committee have been meeting regularly to discuss and plan the event so that it can be a success.

Sporting Event Sponsorship Application

Application SES17/18019 From Ipswich Vigoro Association

If your event provides opportunity for the general public to participate, please list these activities:

We would like to maximise the exposure that our event gets and will actively encourage any interested parties to join us during normal fixture days which will be on the Saturday after the carnival concludes. Unfortunately we do not have an opportunity during the event to cater to new participants, but with our free registration and free under 10 program on offer we believe that we are unique and have a lot to offer that other sports may not.

(e.g. come and try days, coaching clinics, school visits/workshops etc.)

Describe how you determined the need for the event:

Unfortunately Ipswich and Fassifern are the only two SE Qld Associations still able to host the State Titles. As a result this means that we are required to run the event every four years. Not hosting the event is unacceptable as this is currently the only opportunity that our members get to play representative vigoro. As previously mentioned players from all around Queensland look forward with anticipation to this annual event as not only do they get to show case their talents, but vigoro is one large family and returning players get to reconnect with old friends but also hopefully make new acquaintances.

Must be no more than 350 words

Partnership Development

Ipswich City Council encourages organisations to partner with other community groups to achieve their project/event outcomes by building relationships, providing support and aligning community needs.

Have you partnered with any other organisations for this event?

We are working with IGGS to utilise their facilities to help accommodate the number of games that we need to play during the event. We are currently getting assistance from Queensland Apprenticeships to help with beautifying our facilities by repainting our buildings and removing unsightly graffiti, and to help with other minor improvements, & Queensland Vigoro Association is assisting with support and advice to ensure that the event is a success.

Must be no more than 350 words

Please attach any support material from the partnering organisations:

No files have been uploaded

Does the event increase the skills, knowledge and understanding within the community to respond to community issues and needs?

If yes, describe how:

Exposure to our sport through both visual and media outlets during the event will help to grow our grassroots participation. We will take the opportunity to advertise during the State Titles our free programs encourage community participation and get children active and participating in physical activity.

Other Community Benefits:

Describe any other Community Benefits that your event will deliver and how they will be measured.

Benefit	Measure
Increased Physical Activity	Membership Numbers

Planning:

Include information on the organisation's primary services/activities, number of members, previous experience in managing grant funding from other sources other than Council.

Please describe the organisation's capacity to undertake all aspects of the event: *

Ipswich Vigoro is run completely by volunteers. We have long serving executives and members that are committed to seeing this State Titles be a success. We run other events through-out the year including our annual Pink Stumps Day. Experience has given us the confidence to execute events well and ensure that all aspects are organised well in advance. Regular meetings to review and update requirements is standard. Ipswich Vigoro has been successful numerous times with other grants that have been on offer. Including the Community Gambling Scheme & Get Going through National Parks. All grants have been acquitted within the required timeframe and managed by a dedicated committee to ensure completion is on time and budget.

Trophies & awards are presented to individual winners & to the premiers and runners-up of the Titles in each division.

First Aid will be provided by a local company for the duration of the event and in both locations. Player safety is a priority especially during the harsh summer heat that we suffer in Ipswich.

Field Hire is the cost for our use of the IGGS fields to accommodate all the games that need to be played. Traditionally a team present is awarded to each Association as a memento of their visit to Ipswich. We will be providing cooler bags for the teams to help keep hydrated. We require a large number of umpires to make

As we are required to use the IGGS fields it unfortunately has limited shade so we will be purchasing two good quality shade structures to use at this location to ensure the comfort of our visiting players. Bags of ice are required each and every day for drinking water & injuries. Past experience has shown that approximately 15 bags of ice are needed each day of play. Official photographer has been booked to take team photos at the beginning of the event and she will also stay and take action photos during. Presentation lunch is supplied to all players and visitors at the conclusion of the State Titles.

Sustainability:

Ipswich City Council encourages organisations to put strategies in place that will enable their events to become financially sustainable over time and less reliant on Council funding.

Describe how your event will be sustainable beyond the initial Council funding: *

Fundraising events will be held each season to help fund the State Titles. We have great support from local businesses who generously donate prizes for raffles etc.

Is this event new or existing? *

- New event
- Existing event

Please list any proactive club development that your organisation is involved in:

This could include club development plan, responsible alcohol policy, sun safe policy, healthy canteen etc.

City/Council Benefits:

What exposure will your event provide for the City of Ipswich and Ipswich City Council?

Not only will Ipswich be a highlight for our travelling teams but media coverage of these teams whilst they are here will hopefully travel to Cairns and Townsville. Both these regional teams have wonderful coverage through Channel 7 when they play at home, so we would expect that some footage will be sent for televising during the event. We would be happy to display signage during the event to honour the help and support that Ipswich City Council has provided. We will also be sending invites out to Councillors with the hope that we can have a few at the both the opening and closing ceremonies.

Include other benefits and outcomes, apart from brand exposure

If applicable, attach a Marketing Plan:

Describe the economic benefits from visitors your event will bring to the City:

All travelling teams stay locally and therefore will also be eating and shopping in our great city. We will be providing information packets to each of the Associations with details on places to eat and visit during their stay. As well as any other relevant information that might be necessary (eg. medical centres/ water parks etc) In addition to this we support local businesses for all our needs. First Aid, canteen supplies, photographer etc are all Ipswich based.

Describe the growth potential of your event:

This State Titles is already bigger than the last one which was held in Townsville in January 2017 with Tasmania attending the event. We are hoping to see a boys only competition also become a regular event at the State Titles which will see a significant growth in overall participation.

Recipient Created Tax Invoice (RCTI):

Please read below to determine if you are required to complete this section. If your organisation has an ABN and is also registered for GST, it is required to enter into an RCTI agreement.

Sporting Event Sponsorship Application

Application SES17/18019 From Ipswich Vigoro Association

Under A New Tax System (*Goods and Services Tax Act*) 1999 and associated tax rulings, the sponsorship paid to your organisation by the Ipswich City Council is deemed to be a 'taxable supply' of services. Your organisation is therefore known as 'the supplier' and the Ipswich City Council is known as 'the recipient'.

You must advise the Ipswich City Council of:

- Your GST status
- The total event budget
- The total amount of funding requested excluding GST

After processing each claim, the Ipswich City Council will issue an RCTI and arrange payment of the sponsorship. The Ipswich City Council will send an RCTI to your organisation and you will have the responsibility to remit the GST component of the sponsorship to the Australian Taxation Office (ATO).

Recipient Created Tax Invoice Agreement

- The Ipswich City Council (the recipient) has agreed to provide sponsorship to the eligible organisation (the supplier) with respect to the delivery of certain services for the purposes of Sporting Event Sponsorship within the Ipswich City Council boundaries.
- The Ipswich City Council will provide a Recipient Tax Invoice (RCTI) for all taxable supplies made by a GST registered Supplier to the Recipient when payment is made.
- The eligible Organisation acknowledges that it is both registered for the purposes for the GST Legislation and has provided the Australian Business Number (ABN) to the Ipswich City Council prior to the date of issue of any RCTI under the agreement.

The parties hereby agree:

- The Ipswich City Council can issue an RCTI and/or give adjustment notes to the sponsored Organisation in respect of Sporting Event Sponsorships.
- The sponsored Organisation will not issue tax invoices or adjustment notes in respect of the same Sporting Event Sponsorship.
- The sponsored Organisation acknowledges that it is registered for GST when it enters into the agreement and that it will notify the Ipswich City Council if it ceases to be registered.
- The Ipswich City Council acknowledges that it is registered when it enters into this agreement and that it will notify the sponsored organisation if it ceases to be registered for GST or if it ceases to satisfy any of the requirements of the determination.
- The recipients must not issue a document that would otherwise be an RCTI, on or after the date when the recipient or the supplier has failed to comply with any of the requirements of the determination.

Sporting Event Sponsorship

The Sporting Event Sponsorship program aims to assist eligible organisations to host local, district, regional, state, national and international sporting events within the boundaries of the City.

The Sporting Event Sponsorship program now operates all year round. Therefore, applications can be submitted at any point during the year. Please note that applications must be received at least **8 WEEKS BEFORE THE DATE OF THE EVENT** to ensure that there is sufficient time for the processing of applications.

Organisations that apply for support under the Sporting Event Sponsorship program must meet the following criteria:

- Sporting events must be within the geographic boundaries of Ipswich City Council
- Must be incorporated, Ipswich based and not for profit
- Sponsorship is only available for one event per organisation, per financial year
- Must be covered by a Public Liability Insurance for your event with a minimum cover of \$10 million. The insurance company must be licensed to operate in Australia.
- All previous Ipswich City Council Sporting Event Sponsorship grants of \$1,000 or more must be acquitted.

Organisations will be notified of the outcome of their application. Applicants may be required to attend a meeting to further discuss the event and the sponsorship agreement, including type of support and responsibilities.

The value of sponsorship will be determined by Council in accordance with your application and the marking assessment. Please note that previous event sponsorship support **does not** guarantee ongoing sponsorship support. In addition, if you have previously received sponsorship from Ipswich City Council, should your application be successful the amount provided will be less than your previous amount. This is to help increase the chances of your event becoming sustainable.

Recipient Created Tax Invoice (RCTI):

Please read below to determine if you are required to complete this section. If your organisation has an ABN and is also registered for GST, it is required to enter into an RCTI agreement.

The RCTI Agreement allows Ipswich City Council to raise a Tax Invoice on behalf of the organisation. If you enter into this Agreement, a Tax Invoice cannot be issued by the organisation. This will eliminate the need for unnecessary correspondence.

Ipswich City Council has introduced the RCTI Agreement into the Sporting Event Sponsorship program to better assist in providing a faster, more efficient process. This will ensure payment of sponsorship is processed in a timely manner.

H:\Departmental\Committee Reports\1801SB 10791 Supply and Delivery of Telematics GPS System.doc

5 January 2018

MEMORANDUM

TO: ACTING CHIEF OPERATING OFFICER (WORKS, PARKS AND RECREATION)

FROM: ACTING BUSINESS ACCOUNTING AND ASSET MANAGER

RE: 10791 – SUPPLY AND DELIVERY OF A TELEMATIC GPS SYSTEM

INTRODUCTION:

This is a report by the Acting Business Accounting and Asset Manager dated 5 January 2018 concerning the establishment of a contract from tender 10791 Supply and Delivery of a Telematics, Global Positioning System (GPS) and Fleet Management System.

BACKGROUND:

Council is seeking the services of an established and experienced Provider of a packaged Telematics, Global Positioning System (GPS), and Fleet Management System. The system will include a new vehicle booking system.

It is proposed to implement the system over:

1. 60 Major Plant Units;
2. 100 Trucks; and
3. 150 Passenger and Commercial Vehicles.

The fleet management system will provide the following benefits:

- Improve visibility over Council operational fleet vehicles;
- Improve the scheduling of vehicle maintenance;
- Reduce maintenance costs;
- Improve vehicle booking system
- Improve efficiency through tracking vehicle utilisation; and
- Improve asset tracking and security.

Council advertised a Request for Tender in the Courier Mail and Queensland Times on 12 August 2017 in accordance with section 228 of the *Local Government Regulation 2012*. The time for submission of responses expired at 2pm on the 6 September 2017.

Council received thirteen submissions. The submissions are being evaluated in accordance with the approved Tender Evaluation and Probity Plan.

Finalisation of the evaluation is waiting for a technical assessment of the compatibility of the preferred contractors system with Council's own information technology (IT) platform.

FUNDING:

Based on the submissions received, it is expected that the acquisition costs will be \$500,000 with ongoing fees of less than \$200,000.

The systems implementation costs will be funded from the 2017–2018 Operational Fleet Budget. Ongoing annual fees will be funded through the annual Operational Fleet Budgets.

CONTRACT AWARD OPTIONS:

There are two (2) options available for Council, being:

Option 1

Council could award the contract for the supply of the telematics, (GPS) and fleet management system following Council meeting of 27 February 2018 following normal processes for awarding contracts over the Chief Executive Officer's delegation. This would delay the commencement of the project by a minimum of one (1) month. The initial rollout of the system is scheduled for Council's tractor mowing fleet, prior to the peak of the current growing season, where significant benefits are expected.

Option 2

To avoid any further delays in the commencement of the rollout of the telematics, GPS and vehicle booking system, the Chief Executive Officer could be given a one off delegation to award the contract for this project. This would allow rollout to commence at an earlier date, improving the realisation of significant benefits.

CONCLUSION:

The awarding of this contract and rapid delivery will provide significant benefits and efficiencies to Councils. To avoid further delays and capture benefits through the implementation of the telematics, GPS and vehicle booking system, option two is preferred. It is recommended that the Chief Executive Officer be given the one off delegated authority to award the contract for this Contract.

RECOMMENDATION:

That pursuant to section 257(1) of the *Local Government Act 2009*, Council delegate to the Chief Executive Officer, the power to exercise the powers of Council under Chapter 6, (Contracting) of the *Local Government Regulation 2012* in its capacity as a local government.

Conditions:

This delegation is subject to the following conditions:

1. This delegation does not authorise the Chief Executive Officer to exercise powers under the *Local Government Act 2009* if the *Local Government Act 2009* provides that the power must be exercised by resolution.
2. When this power is exercised, a record of the exercise of the power shall be made in writing at the time of exercising such power, and a copy thereof shall be kept in such format as determined from time to time by the Chief Executive Officer.
3. The recommendation in relation to the successful tender must be presented to Council at the first available meeting of Council, for Council's noting.
4. The Chief Executive Officer may only exercise the powers granted under this delegation for the contract for the engagement of a preferred supplier for tender 10791 Supply and Delivery of a Telematics, Global Positioning System (GPS) and Fleet Management System.
5. The Chairperson of the Works, Parks and Sport Committee, the Mayor and divisional Councillors are to be consulted before exercising the power under this delegation.
6. This delegation expires on the 31 March 2018 or on the signing of the contract, whichever is the earlier date.
