

Fact Sheet

Civic and Ceremonial Events Funding Update:

Closure of In-Kind Assistance Program

What's Changing?

The In-Kind Assistance Program is now closed.

Organisations will now be able to include the costs of hiring bins and portable toilets (previously supported through the In-Kind Assistance program) as part of their request for funds.

Why the Change?

This update provides:

- **Greater autonomy** for event organisers
- **Simplified application process** – no additional questions
- **Flexibility** to choose your preferred suppliers

What You Need to Do

- Apply for Civic and Ceremonial Events Funding - the Civic and Ceremonial Events Funding Guidelines can be found at [Funding and Support : Ipswich City Council](#).
- Include the cost of bins and/or portable toilets in your Budget – you will need to provide a current quote for these
- For your convenience, a list of suppliers is provided below. You are also welcome to use your preferred vendors.

Need Help?

For questions or assistance with your application, please contact the Community Funding and Support Team by phoning 3810 6648 or emailing communityfunding@ipswich.qld.gov.au.
